Type in a new account password in both fields to confirm and click 'Reset'.

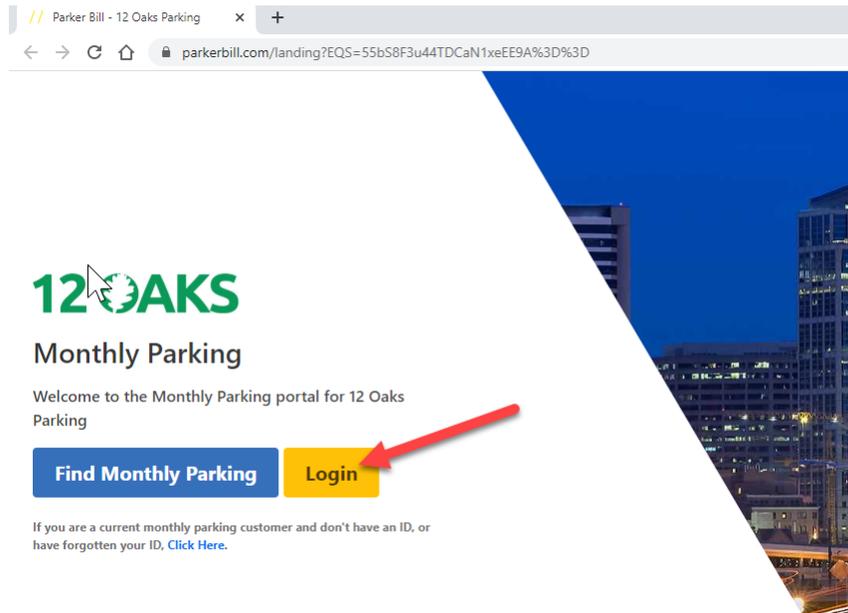

The screenshot shows a web browser window with two tabs: "Parker Bill - Forgot password" and "Parker Bill - Reset password". The address bar shows the URL: "parkerbill.com/auth/account/resetpassword?id=NW1Z2GU4YzktYtYy00OGJILTgwNGEtZGFkNjA5MTImMmR". The page features the 12 Oaks logo and the heading "Reset Password". Below the logo, there is a text input field containing an email address ending in "@hotmail.com". Underneath, there are two password input fields, both filled with dots. The second field has a tooltip that says "Minimum Length of 8 Characters". A blue "Reset" button is positioned at the bottom of the form. A mouse cursor is hovering over the second password field.

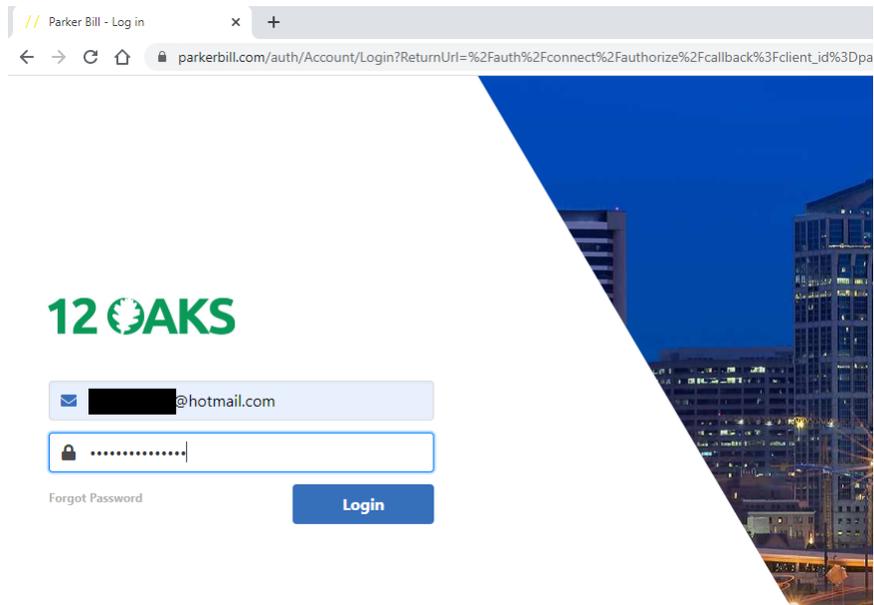

Your password has been reset. Click 'click here' to go back to the login screen.

Click 'Login'.

Type in your email and newly created password and click 'Login'.

Click the 'Change' next to Pay by... The credit card that was previously on file didn't transfer to the new company for PCI reasons.

Your credit card is now on file and you should see “Automatically Pays By Credit Card”.

The screenshot shows a web browser window with the URL `parkerbill.com/accounts/182130`. The page header features the 12 Oaks logo and navigation links for "Find Parking", "Français", "Accounts", and "Profile". The main content area displays account information for "Account: 19434 Cliff Dugan - TEST ACCOUNT" at "Tysons Tower". A notification states: "The most recent payment (\$0.00) was received on Automatically Pays by Credit Card (Change)", with a red box around the text and a red arrow pointing to it. A sidebar on the right contains links for "Pay", "Invoices & Payments", "Stop Parking", and "Help".

Please note - here you can also update your vehicle information, add/delete active parkers, etc. much like the old web system, Prizm.
